GREX CLUB WINS.

Captures Opening Game of Basketball
from Windham High School, 23-22.

The basketball season opened on
Thanksgiving afternoon in Armory
hall on Valley street, with a fast ex-
citing, close game between the Grex
club and Windham high school. It
was the first game of the season and
it was a treat to watch as it was
during the play was either team lead-
ing by an commanding number of
points. The game opened with a fast
continued so throughout, although to-
ward the middle of each half there was
a little lull-up noticed for a moment
or two, because the wind of the play-
ers was a bit spent, but this was only
temporary.
The score at the end of the first
half was 10-9 in favor of the Grex
club and the final score was 23-22 in
favor of the same team. The passing
of both teams was a little crude and
the attempts at free throws for chances
from the floor were in many in-
stances thrown away by over eagerness
and lack of care in making the
throw. The Grex club played a bet-
ter passing game, but lost many op-
portunities to score.

The individual honors were carried
off by Higgins of the Grex club and
Chappell of the Windham high school
although Crane of the high school was
the surest shot on the floor for the
number of tries he had, and it would
be well for his team mates to feed
him more freely if they desire to score
freely. He was cool when in pos-
session of the ball and rarely made
any wild throws, while a number of
the other players hurried the ball at
random to all angles of the floor with
the result that the ball went to the
other side very often.

Kelley, for the high school, had a
fine eye for the basket from the foul
line, caring the ball on all of his tries.
Downer and Morse played well for the
Grex club. Gates showed that he has
the stuff to make a good guard and
Leonard will improve with more prac-
tice. The line-up and summary:
Grex Club—J. Kelran, W. Kelran,
D. Downer, H. Higgins, C. Morse, R.
Harrington, B. Crane.

Windham High School—Leonard B.
Crane, R. Chappell, C. Kelley, H. Crane.
Score, Grex club 23, Windham high
school 22. Goals from the floor, Hig-
gins 5, Chappell 5, Crane 3, Morse 2,
Downer 2, J. Kelran, and Kelran.
Fouls called on W. Kelran, Higgins,
Morse 2, Harrington 2, Chappell 3,
Leonard 2. Free throws, baskets from
free tries, Kelley 2, Chappell, Higgins,
4, Downer, Referee, S. B. Donnell.
Time, 20-minute halves. Timers,
Sharpe brothers.

DIES AT 89.

"Aunt Hattie" Cranston's Useful Life
Ends on Thanksgiving Day.

Miss Harriet R. Cranston, aged 89,
died Thursday morning at 2:45 o'clock
at the home of Mary A. Cranston on
Church street. She was a native of
Quidnick, R. I., but had lived in this
city a great many years, making her
home with her niece, Earl H. Cranston,
recently deceased was a nephew of
Miss Cranston who was known as
Aunt Hattie to her many friends. She
had been in rather poor health for a
year or more, but retained her faculties
to the end. She was beloved by all
who knew her and always had a pleas-
ant and cheery word of greeting for
her callers.

GOT BUT 60 DAYS.

Herman Reimer or Carl Smith, Who
Stole Horse and Suit of Clothes,
Benefits by Holiday.

Herman Reimer or Carl Smith, aged
23, arrested Wednesday afternoon by
Chief E. H. Richmond and Lieut. Dan-
iel Kilbourn for taking a horse without
leave and stealing a new suit of
clothes, was arraigned in police court
Thanksgiving morning at 9 o'clock be-
fore Judge William A. Arnold. Reimer
or Smith, who claimed to hail from
Indianapolis, Ind., pleaded guilty to
both charges.
Tuesday evening he asked permis-
sion of the Browns to sleep in the barn
and this was granted. The fellow has
been around town about three weeks,
and for the past couple of weeks had
been driving the U. S. mail wagon to
and from the postoffice.
When he took the oath, upon being
asked what his name was, he replied
Smith, and when asked what his first

name was said "Carl," and when asked
how to spell it said "Oh, with a K or
a C, it makes no difference." He is a
young German and came on here when
James P. Brown brought a carload of
horses east.
Wednesday Reimer or Smith went
out back of the stables, changed his old
suit of clothes for a brand new suit of
clothes that James P. Brown, Jr., had
just purchased for \$21, and then said
the horse and beat it.
The court imposed on him a sentence
of 30 days on each count, as it was
Thanksgiving day, and the judge was
disposed to be charitable. Reimer or
Smith had made the boast that no
Willimantic police officer could arrest
him.

Snow Welcomed by Young America.

The citizens of Willimantic and vic-
inity enjoyed a taste of a real old-
fashioned Thanksgiving day Thursday
as the traditional snowstorm broke
during mid-forenoon and continued
most of the day. The flying flakes
were greeted with gleeful cries from
the children, who thoroughly enjoyed
themselves making snow figures and
sliding on terraces, sidewalks recently
concreted and upon all other available
inclines. The sport was just what was
needed to whet hearty appetites and
the good things provided for the ta-
bles were relished the more keenly
because of the invigorating snow.

in the city. Family reunions and quiet

LOST HEAVILY IN GAME
AGAINST STOCK MARKET.
Missing Binghamton Lawyer Has Not
Yet Been Located.

Binghamton, N. Y., Nov. 27.—Police
officers are still hunting for William
B. Carver, junior member of a promi-
nent law firm, who is missing after
leaving a letter for his wife announc-
ing his determination to commit sui-
cide, and it is expected his body will be
found in some out of the way place.
It develops that Mr. Carver lost
heavily in a carefully worked out sys-
tem devised to beat the stock market.
This system was found among his per-
sonal papers at the law office.

TO SAVE \$9,000,000 ON
CARRYING THE MAELS.
Postmaster General Devises New Sys-
tem of Paying Railroads.

Washington, Nov. 27.—Readjustment
of railway mail was the subject of a
conference today between Postmaster
General Hitchcock and representatives
of several of the railway systems of
the country. The railways are now
paid according to weight of mail car-
ried, while Mr. Hitchcock proposes to
pay according to the amount of car
space actually used.
Figures compiled at the postoffice de-
partment as to the actual cost of car-
rying the mails indicate that under the
present system many roads are receiv-
ing an exorbitant amount while some
of the smaller lines are actually losing
money.
Under the weighing system the govern-
ment pays approximately \$50,000,000
a year to the railways for carrying
mail. Mr. Hitchcock contends that if
his plan is adopted it will result in an
annual saving of not less than \$9,000,000.

KILLED BY A TRAIN.

Home from Work.

New Milford, Conn., Nov. 27.—Ben-
edict Bruner, a cooper by trade, was
struck by the northbound train near
the Boardman station, two miles north
of here, tonight and instantly killed.
He was walking the tracks on his way
to his boarding house after the day's
work. The train ran in two sections
in a rear and trolley car collision on
the Derby line, near Race Brook, to-
night. Earlier in the evening there
had been wire trouble and trolleys de-
layed, so the cars were run double.

Marsh and in the fight which followed

TEN INJURED IN A
CRASH OF TROLLEYS
Cars on New Haven-Derby Line in
Rear End Collision.

New Haven, Nov. 27.—Ten persons
were injured, none fatally, however,
in a rear end trolley car collision on
the Derby line, near Race Brook, to-
night. Earlier in the evening there
had been wire trouble and trolleys de-
layed, so the cars were run double.
The first car, New Haven bound,

well filled with passengers, stopped
near Race Brook to let a passenger
off. The second car was following
close behind, and crashed into the rear
of the trolley. The passengers were
thrown from their seats, the windows
were smashed and the cars otherwise
damaged. They did not leave the
tracks, however.

John McMahon of Derby was ren-
dered unconscious and he was rushed
to St. Raphael's hospital, this city. His
injuries consist of a scalp wound and
an injured spine. Another man whose
name could not be learned was taken
to Grace hospital, but was later re-
leased.
The other persons injured were tak-
en back to Derby. Their injuries are
said to be slight.
